AAP SUBSCRIPTION GUIDE FOR INSTITUTIONS

AAPLibrary.org

American Academy
of Pediatrics

DEDICATED TO THE HEALTH OF ALL CHILDREN®

AAP Publications

Credible. Current. Seamless.

Unparalleled Innovation and Access to Essential Pediatric Resources

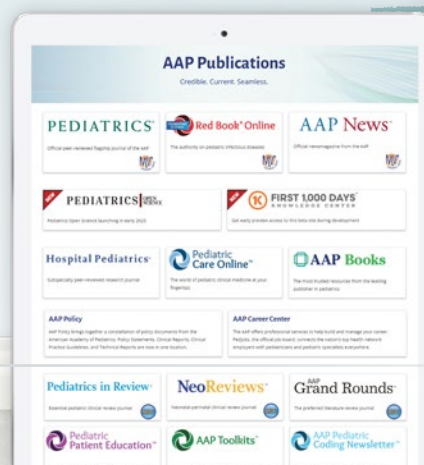

As the gatekeeper of knowledge for your organization's healthcare professionals and academicians, you play an important role in evaluating critical resources and managing provider access and usage. Let **AAP Publications** be your guide. Our unified platform streamlines access to the highest quality, evidence-based content to improve today's quality of clinical care for neonatal and pediatric patients as well as fuel tomorrow's research.

Browse these pages—or the **AAP Publications platform** at publications.aap.org—to discover our essential research and clinical review journals, news, books, and Point-of-Care Solutions, which encapsulates clinical reference, coding, and patient education sources. Coming Soon: *Pediatrics Open Science*™—a new global open access journal from the AAP. Learn more at PediatricsOpenScience.org.

Explore resources for institution and library subscribers, including product overview videos, access and integration tools, and quick reference guides for administrators and library patrons at AAPLibrary.org.

Then contact your agent or the American Academy of Pediatrics (AAP) directly to request a site license. **See pages 10–11 for rates and ordering information.**

Our growth was
off the charts
this year—
surpassing
10 million
