TIER INFORMATION

Tiers 1–4 apply to single site institutions only. Multi-site institutions fall under Tier 5 and require a licensed subscription.

Multi-site institutional subscribers fall under TIER 5 and require a custom quote and licensed subscription. Multi-site is defined as any institution, hospital, research facility/institute, company, public library, non-profit organization, or government/national agency with more than two sites/locations. Final tier assignment for institutional subscribers is determined by RSNA

TIER DEFINITIONS

Tier 1: ACADEMIC single site- Associate college (community, technical, further education (UK))

HOSPITAL single site- 1-400 beds

PUBLIC/NON PROFIT single site- Community public library (small scale), general reference public library, non-profit administration office

Tier 2: ACADEMIC single site- Baccalaureate or master's level college/university and nursing, veterinary or dental school

HOSPITAL single site- 401-750 beds

Tier 3: ACADEMIC single site- Research university without affiliated medical school or patient care facilities

HOSPITAL single site- 751-1,000 beds

Tier 4: ACADEMIC single site- *Medical school or university with a single medical school or medical center

HOSPITAL single site- 1,001+ beds

Tier 5: ACADEMIC with two or more sites/locations- Academic consortia or research institute, Research university with multiple medical schools and/or medical centers or hospitals, Universities that share e-resources

HOSPITAL SYSTEM; any hospital with two or more locations

PUBLIC/NON PROFIT with more than two sites: government agency and/or ministry, research institute, state or national public library,

RESEARCH FACILITY: any non-profit or for-profit research facility, research facility within a hospital

CORPORATE: Corporate (including private practices and law firms), Private Practice (including medical groups of participating doctors and medical professionals)

*All medical schools within hospitals must use academic rates.
